

## **General information**

Duration: 3 months

Commitment: Full-time

## **Description:**

Would you like to acquire professional skills abroad? Do you say "yes" for Erasmus+? Are you attracted by German precision or Western Europe's beauty? Do you want to choose your own working field to improve your skills? You have the unique opportunity to become a part of the experienced team which will impart all the knowledge to you and will prepare you for your future career. We, Ascari People GmbH, are a dynamic company, which is located in Munich, capital of Bavaria. We are dealing with the agency employment and realization of European projects, therefore you can choose your favorite field.

### **What to expect?**

In The European Union Grant Program Division you will collaborate on the project realization with experts, you will communicate with foreign partners from different European countries, participate in the preparation of meetings, training etc. After, you will be able to put the acquired knowledge into practice. In the Agency employment division you will communicate with major clients, collaborate on recruiting new employees and participate in the development of the company.

### **What is expected?**

To be a student with optimistic and proactive approach, with interest to learn new things and communicate in German (B2).
