Welcome Day (for International Degree Students)

We are pleased to invite all international degree students starting their studies at Charles University (CU) in the first semester of the academic year 2018-2019 to our Welcome Day.

There are two terms you can choose from: Wednesday 26th September or Thursday 4th October. During these days you will have a chance to meet other international student, find answers to your questions related to studies at CU and get acquainted with Charles University as a whole.

For Non-EU students we prepared a useful seminar organized by NGO Slovo 21. Students who relocated to the Czech Republic and plan to stay here for a longer period of time will receive plenty of practical information which will help them find their way in society and understand their rights and duties. Find more details about ‘Welcome to the Czech Republic’ course below.

At the end of the day, you will have the opportunity to register for a sightseeing guided tour in the historical building of Carolinum and learn about the university history and then join us for an informal welcome drink.

The whole programme is free of charge but registration for individual sessions is required.

Note that individual CU faculties have also their own orientation/welcome days that you should not miss.
